REPORTS TO: Director of Instructional Support

JOB GOAL: To diagnose communication disorders, write reports and IEPs, and determine appropriate methodologies for treatment. To improve verbal and nonverbal communication skills and strategies, functional communication, and disability related communication behaviors. To provide disability related education to staff and families.

PERFORMANCE RESPONSIBILITIES:

The Speech-Language Pathologist's responsibilities shall include, but not be limited to, the following as requested and/or directed:

1. Review referral information and records to determine appropriate assessment battery.
2. Observe in classrooms as a portion of the assessment or treatment program

Speech-Language Pathologist job description (continued)

3. Evaluate communication abilities and report results in accordance with the Individuals with Disabilities Education Act (IDEA) and Maine regulations
4. Write individual educational plans (IEP) in accordance with the IDEA and Maine state regulations
5. Help connect staff to internal and external resources for professional development.
6. Coordinate/facilitate learning opportunities at the teachers' requests.
7. Case manager responsibilities for children receiving speech-language therapy as the sole service.
8. Provide focused follow up (personal check-ins, program evaluation) to teachers implementing instructional initiatives.
9. Helping find resources related to instructional/changing practice needs (instructional support.)
10. Attend IEP meetings
11. Stay abreast with current trends, research, information as they relate to identified needs and goals; share information with colleagues.
12. Cooperate with staff members and administration in promoting a positive organizational climate.
13. Meet regularly with therapeutic and educational team members
14. File annual child count information
15. File monthly Medicaid forms reflecting therapeutic services for individuals on caseload

TERMS OF EMPLOYMENT:

Twelve month year with actual salary, benefits, and work year set by the Board of Education through contract negotiations and appropriate policies.

EVALUATION:

The basis of the evaluation will be the extent to which the performance responsibilities of the job are successfully completed and the extent to which yearly action plans and job goals are met. The Director of Instructional Support will perform the evaluation.

NOTE: The above job description reflects the general requirements necessary to describe the principle functions or responsibilities of the job identified and shall not be interpreted as a detailed description of all work requirements that may be inherent in the job, either at present or in the future.
